

BYR Executive Committee

Minutes

March 10, 2014

1. Sgt. Bryan Robin shared the unit's decision to do a couple's River Boat Brunch/Cruise on Sunday, June 15th instead of a family summer picnic. The group had some discussion of how much and what we can do to support them on this. The Executive Committee will ask the task force for approval of the BYR paying up to \$4000 toward the River Board Cruise for the 850th instead of doing a summer picnic for the families. It was decided that this would be nice for the soldiers and their spouses or significant others to have a day to themselves since the BYR had a wonderful Christmas Party for the families.
2. Report on Veteran's Assistance this month – Jim R.
 - a. Assisted a veteran with utility bills
 - b. Assisted a veteran with tires for their vehicle
3. Report from Chili Feed at Captains on Feb. 28th – Susan gave a brief report. Dave Rosten chaired the chili feed and it was slow due to the weather.
